

PRACTICAL NURSING

PRACTICAL NURSING APPLICATION REQUIREMENTS

Pay Application Fee - \$40

TEAS Exam or HESI Exam

Applicants are required to take either the TEAS or HESI entrance examination. The TEAS Exam must be passed with a **score of 70%** or higher. The HESI Exam must be passed with a **score of 75%** or higher.

Information from the TEAS test is used to create an initial individualized training plan as part of the program curriculum, which can be helpful to students who choose to take that exam.

Please allow a minimum of 4-6 weeks before the application deadline to receive the test results, a copy of which must be included with your application. The test scores are valid for one year.

Should a student not pass the TEAS exam or wants to better their score. Dixie Tech requires 30 days in between retakes. This gives the student ample time to review and study weaker areas that may need improvement. Although ATI will allow retake every 2 weeks, Dixie Tech requires waiting 30 days in between.
