

Student Personnel Plan	
	Plans
	Effective Date: July 1, 2019
Board Review Date: September 24, 2019	

(1) **Evaluation**

- (a) The Vice President of College Services works with college administration to evaluate policies, procedures, activities, and personnel to improve the effectiveness of services provided.
- (b) Students complete an evaluation at the end of their program to evaluate Student Services personnel effectiveness, Media Services, and provide recommendations for improvement.
 - (i) Student evaluations are compiled without identifiable information for final dissemination to instructors and staff.

- (2) **Assessment and Dissemination.** The results of student evaluations are disseminated and reviewed annually with Student Services staff. Pertinent information is identified and used to improve student personnel services.
