

Competition with Private Enterprise	Administrative Policies
	Effective Date: January 28, 2020
	Approved Revision Date: January 28, 2020

- (1) Services to persons other than members of the campus community shall not be provided unless:
 - (a) The service offers a substantial educational or research experience for registered students and faculty;
 - (b) The service fulfills the institution's public service mission;
 - (c) The service is incidental to the ordinary and authorized function of a campus community, i.e., occasional sales by bookstore, food service, etc., to campus visitors;
 - (d) The service consists of recreational, cultural, and athletic events; health services and medical treatment; public service radio and TV broadcasting; events of functions which have as their principal purposes the improvement of relations between the College and the general public; and sales of contributed services, if related to fund raising activities; or
 - (e) The equivalent service is not available in the local area.
- (2) The College may advertise institutional services to the campus community and may advertise or share information with the general public via an institution's webpage, the internet, social media, and e-mail. Except as is necessary to meet the purposes of services listed above, institutional services may not otherwise be advertised to the general public.
- (3) All services to persons other than members of the campus community must be approved by the College's Executive Team.
- (4) In the event that the provision of a good or service by the College is perceived to be in competition with a privately owned business, that business may request in writing a review with the College President. The President will designate a College Officer to hear the matter, and the business may file a written appeal to the College Board of Directors within 14 days of a decision being rendered.
